THE AMERICAN NATIONAL RED CROSS
NATIONAL HEADQUARTERS
WASHINGTON 6 D.C.

March 13th, 1963

Dear Dr. Epler :

We appreciate your approval of our present efforts
to acknowledge the great contribution of Miss Clara
Barton in establishing Red Cross within America.
Your own biography has long been an important means
of acquainting the American people with the facts
in the life of this great woman.

We trust that this letter will find you in good
health, and may we again express our appreciation
of your long continuing interest in Miss Barton and
the American Red Cross.

Sincerely,

(signed)
